DEV VITAL SIGNS

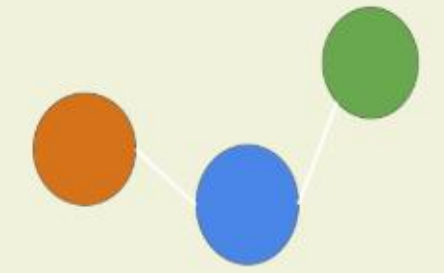

Coverage: 2026-09-21 – 2026-09-27

FEATURED MERGE

# SPOTLIGHT PR

---

Wallet & User Tools Milestone

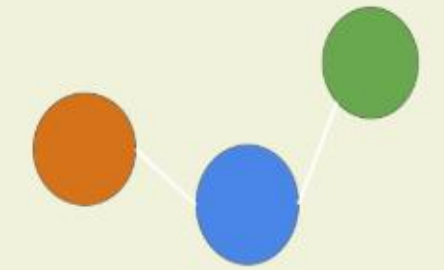

PR #29278 • ismaelsadeeq

## Wallet: Add maxfeerate wallet startup option

---

This PR introduces the maxfeerate wallet startup configuration option to Bitcoin Core. This acts as a safety limit to prevent the wallet from accidentally creating and signing transactions with excessively high fee rates.
